POLICY STATEMENT (R*)

An employee shall accrue sick leave in accordance with the table contained in this policy.

An employee may carry over sick leave hours from year to year. Sick leave will not be paid out upon separation. Any employee with a minimum of 10 years of service at the University on July 1, 2005, will be grandfathered under the previous sick leave policy for purposes of receiving payment for accumulated sick leave hours upon separation of employment from the University. Only sick leave hours accumulated prior to the above stated effective date will be paid out, in accordance with the established maximum amounts as indicated on the previous policy.

Use of sick leave shall not be authorized prior to the time it is earned and credited to the employee and shall only be used with the approval of the immediate supervisor.

The use of sick leave shall be authorized for the following:

- Illness or injury of the employee or a member of the immediate family.

During leave of absence with pay, an employee shall continue to earn sick leave credits.

When possible, employees are expected to schedule planned medical appointments in a manner that minimizes disruption of the workflow.

Employees must use sick leave for its intended purpose. Supervisors will monitor employee use of sick leave for patterns of abuse. Abuse of paid sick leave will result in disciplinary action up to and including dismissal.

Upon return from sick leave due to illness or injury, an employee may be required to submit a Fitness for Duty form to establish whether the employee is fully recovered and capable of returning to his/her duties.
