An undergraduate student may concurrently fulfill the requirements of two academic majors provided the student has the permission of the department or school of each of the academic majors being sought. Upon successful completion of the requirements of both majors, one degree is awarded. If the student desires a second baccalaureate degree, the appropriate policies and procedures apply.

The two majors earned concurrently under one degree will be noted on the transcript and diploma.

To state the minimum University requirements for concurrently completing two academic majors.

The student must obtain the permission of the department or school of each of the academic majors being sought.

A Second Major Form must be filed with the Office of the Registrar to declare the two majors.
