INCOMPLETE GRADES (IN) FOR GRADUATE AND UNDERGRADUATE STUDENTS

POLICY STATEMENT

An incomplete grade (IN) is a temporary grade. An IN grade may be given:
(1) at the discretion of the instructor for work not completed during the semester and not caused by the student’s own negligence, or
(2) in matters of alleged academic misconduct per Regulation 2501 Student Conduct and Honor Code.

The section below refers to item (1). Refer to Regulation 2501 for item (2).

An IN grade may only be awarded to a student when a small portion of the student’s work is missing, not to exceed 50% of the course work, and only when the student is otherwise earning a passing grade.

An IN grade must be made up as quickly as possible. The instructor determines the timeline to complete the class, but it cannot exceed two consecutive terms (including summer term) after the initial course or it will automatically default to an F grade. Students must not re-register for the course to make up the IN grade.

To complete the course, the student must consult with the instructor who will define the remaining requirements for successful completion. Individual Colleges/Departments may have additional requirements. Until changed, the “IN” is not computed in the GPA for students. A student cannot graduate with an IN grade.

NOTE For graduate students only: An IN grade cannot be assigned to dissertation or thesis credits to indicate that work is in progress. Additionally, graduate students must be enrolled in the term they graduate. Completing a course with an IN grade does NOT count as being enrolled for the term of graduation.

SCOPE

This policy applies to graduate and undergraduate students who are assigned an Incomplete (IN) grade, including non-degree seeking students.
REASON FOR POLICY

To provide guidelines for the awarding of an Incomplete (IN) grade and the process for completion.
