<tr>
<td>Course number</td>
<td>Courses numbers are assigned by Florida’s Statewide Course Numbering System (SCNS). This numbering system is used by all public postsecondary institutions in Florida and by participating nonpublic institutions. The first digit of the course number indicates the level at which students normally take the course.</td>

<th>Course Prefix</th>
<th>The course prefix is a three-letter designator for a major division of an academic discipline, subject matter area, or subcategory of knowledge. The prefix is not intended to identify the department in which a course is offered. Rather, the content of a course determines the assigned prefix to identify the course.</th>
