LAST REVISION DATE: July 1, 2024
RESPONSIBLE UNIVERSITY DIVISION/DEPARTMENT: Division of Human Resources Talent Management and Development

POLICY STATEMENT

All employees shall participate in a minimum of twenty (20) hours of professional development per fiscal year. This development occurs during regularly scheduled work time, and must be approved by the Dean, Director, or Department Head.

All employees are expected to have a Learning Goal established in their annual performance evaluation and discussion with their immediate supervisor.

Professional development can take the form of attendance in in-house learning programs provided by the Division of Human Resources – Talent Management and Development, participation in external workshops and conferences, or other department-specific training.

Included in the expected twenty (20) hours of professional development are any programs that may be required by the University, such as the New Employee Experience, Sexual Harassment Awareness & Prevention, Performance Excellence Process (PEP), Supervisory Excellence, Service Excellence, and others. Attendance in programs for professional certifications, licensures, etc., as well as self-directed learning, such as engaging in independent study, reading, or line courses to acquire knowledge and skills at one’s own pace, will also count towards the twenty (20) hours of professional development.
