POLICY STATEMENT
This policy establishes guidelines and procedures, in accordance with state and federal laws, and generally accepted accounting principles. The University will capitalize and include in its real property records the following whose total cost is $100,000 or greater:

1. Land purchases, land improvements, leasehold improvements, and all new construction projects which add square footage to Florida International University facilities.

2. Material remodeling, renovation, and infrastructure improvement projects, which extend the useful life or capacity of the asset. Total cost will include all professional fees, contingencies, materials, etc. associated with the project but exclude tangible personal property (OCO).

SCOPE
This policy applies to the Office of the Controller’s Construction in Progress Team’s responsibilities related to the capitalization of University owned land, construction, remodeling, and renovation projects.

REASON FOR POLICY
To establish accounting guidelines for all University owned land, construction, remodeling, and renovation projects that are consistent with generally accepted accounting principles.
