POLICY STATEMENT

The University will provide up to 3 days of unpaid leave (the leave may be paid if the employee has accumulated leave) in a twelve-month period if the employee or a family or household member is a victim of domestic violence. The fiscal year of July 1 to June 30 will be considered the 12-month period.

The employee must provide the University with at least 48 hours advance notice of the employee’s intention to take the leave unless providing such notice is not practicable. Employees must utilize the Leave of Absence Request form to request leave under this policy.

Completing the Leave of Absence Request form initiates the process, and the employee shall provide:
